

The Brain Injury Association

The Brain Injury Association is an advocacy organisation that provides information, support and education through our Liaison Service

Services Provided

- We provide information and education for people with a brain injury and their family/whanau so they can better understand the implications of the injury.
- We have support groups providing an informal opportunity to catch up and share good news, ideas, topics and concerns with others who understand.

Please contact us for these venues and times, or visit www.tiaho.org.nz/about/events_calendar

- We provide assistance and advocacy support in liaising with ACC, Ministry of Health, Ministry of Social Development, Work & Income and other government or associated agencies.
- We run Education Programs, a thought provoking, powerful, upbeat program for students of all ages. The message is: you can have a fulfilled, exciting life, without hurting yourself if you "ThinkFirst."

'Use your mind to protect your body'

- We offer support for people working with people with Brain Injury & offer support, information or assistance to obtain the appropriate professional help or service.
- Please also contact us to access Outward Bound courses and camps.
