

[Northland Multiple Sclerosis Society – One Page download](#)

We provide information, education and support for people with MS and their families, encouraging a proactive approach to managing this disease.

Our area extends from Wellsford, coast to coast, through to Cape Reinga.

The services we provide include:

- Home visits
- Support and information to you and your family about your condition or in your role as caregiver
- Educates you, your family and other allied health professionals about MS and related disorders
- Advocates for you with other support agencies and health professionals
- Informs you on services available in the community
- Provides educational material, also books covering all aspects of Multiple Sclerosis which are available from the Office
- Hold Support Groups for those with MS
- A weekly exercise class is offered to MS Patients.
- As the Office Administrator is available 14 hours a week, an answer phone is in place to take calls.

Should you require further information on any of the above services offered by MS Northland Society please do not hesitate to contact the office on 09 438 3945

Help Northland MS Society Inc raise money by doing the occasional survey by email. Every time you complete a survey we'll get paid for it! Click this link to sign up:
<http://www.buzzthepeople.co.nz/helpfundraise.aspx?s=74543958>

Buzz runs surveys for all sorts of organisations ranging from Government departments to ad agencies and media companies, you can unsubscribe at any time you like and they never use our member details for any promotional offers.

Please do sign up – and send this link to all your friends too so we can make a real difference!

Key Contacts**Wende Quinn – Office Administrator**

I commenced employment with MS Northland in April 2013.

Previous employment has been within the Banking Industry and most recent 8 years working for the N.Z. Automobile Association.

My role involves all aspects of office administration, providing support for the Field Officer and assisting clients with information. Having been diagnosed with MS in 2011 means I can truly empathise with all our clients and their families.

I am also the Secretary/Treasurer for the Society so a high priority is the focus on fundraising.

The office is open Monday and Tuesday 9am – 2.30pm and on Wednesdays 9 am to 12 noon. You are most welcome to call in during office hours or leave a message and I will get back to you.
