

Whangarei Workshop

Monday November 25, 5.15-6.45 pm

New Zealand Red Cross Whangarei Service Centre
59a Bank Street, Whangarei

Neighbours Day Aotearoa is fast approaching and Sam and Cissy are gearing up to hit the road again! We are chatting with local communities about community, connection and neighbours. Our interactive workshops are a chance to develop and refresh some of the skills we all need when working in communities. We explore ways to reach out and include all the different people that make up our communities. These workshops are ideal for neighbours, community leaders, organisations, anyone that wants to build more connection. We will all learn from each other in a fun and supportive environment.
