

SATURDAY 20 MARCH ‘LOTS OF ROCKS’ HATEA LOOP WALK

Celebrating World Down Syndrome Day 2021

Bring your family, bring a friend, bring the dog. Starting in the Reyburn House Gardens, join us for a walk round Whangārei’s beautiful Hatea Loop to raise awareness of Down syndrome in our community. We’ll be hiding painted rocks along the walk – collect yours at the start. Come in orange and purple fancy dress, wear a silly hat, dress up your dog. Lots of fantastic prizes on the day!
